Imagination is the world's most valuable resource. It's our window to the future, because if we can imagine it, we can create it. Mazda is built on a foundation of imagination and ingenuity. It's the fuel behind all we create and achieve. It has given us SKYACTIV TECHNOLOGY, 'KODO – Soul of Motion' design and countless successes that once existed only in someone's imagination. These pages show how imagination is an integral part of our innovative cars.

Limited in Soul Red Metallic and Meteor Grey Mica.

BE MOVED LIKE NEVER BEFORE

Never before has an SUV moved you like this. Enhanced capability and city-friendly size are delivered with the striking looks of KODO Design. Natural agility comes from SKYACTIV TECHNOLOGY, along with impressive fuel economy in either petrol or diesel. MZD Connect brings your online world along for the ride, while i-ACTIVSENSE integrates intelligent safety. Experience responsive handling in your choice of front or all-wheel drive. From urban action to exploring what's beyond, Mazda CX-3 gives you the looks and versatility to be moved like never before.

Limited in Meteor Grey Mica.

SHAPED BY MOTION

Shaped by motion itself, Mazda CX-3 is the creation of 'KODO – Soul of Motion' design. KODO is inspired by the instant that energy bursts into motion. It's the powerful grace of an animal pouncing, or a human leaping into action. Balancing athletic presence, streamlined simplicity and elegant detail, Mazda CX-3 brings rare imagination to the small SUV.

魂動

KODO : SOUL of MOTION

6 Limited in Soul Red Metallic.

STYLED TO IMPRESS

It's not just the dynamic exterior that will move you. Mazda CX-3's cabin is crafted to feel special, and equipped to impress. The cleanly-designed instrument cluster is thoughtfully positioned to maintain your focus on the drive, while your online world is seamlessly integrated to keep you connected. Sleek lines envelop you, forming a fresh, modern space. Each model is finished in inviting trim and crafted materials, with metallic highlights and details added for elegant effect. Enjoy an elevated driving position that gives you superior visibility. All models feature MZD Connect, where you control your contacts, music, social networks and more from a central touch screen[§].

[§] Please check the compatibility of your Bluetooth[®] device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as functionality varies by model. Visit mazdahandsfree.co.nz or consult your Mazda Dealer for further information.

[#] Leather interior includes Maztex deluxe leatherette on selected high-impact surfaces.

**THE FREEDOM
TO REALLY MOVE**

Agile and spirited, Mazda CX-3 moves you like only a Mazda can. SKYACTIV TECHNOLOGY delivers performance with confident, responsive handling. The punchy 2.0 litre petrol engine unleashes responsive power and impressive fuel economy.

The SKYACTIV-Drive automatic transmission is sports-minded and refined. Mazda CX-3 offers front-wheel drive, or intelligent i-ACTIV AWD (all-wheel drive) that monitors and even predicts road conditions for maximum grip and performance. Enjoy a smooth ride as you carve through the city, or head for what's beyond.

EFFICIENCY THAT DOESN'T SACRIFICE EXCITEMENT

Mazda is committed to reducing the environmental impact of our vehicles, yet we'd never want to compromise the driving enjoyment that's core to our DNA. In answering this challenge we arrived at a breakthrough – SKYACTIV TECHNOLOGY. In every way imaginable, Mazda CX-3 has been created to unlock efficiency and unleash performance potential. From its lightweight body to advanced engines, we've examined every possibility for improvement. In both petrol and diesel, economy is boosted by i-stop. It cleverly saves fuel by turning off the engine when you come to a stop, staying perfectly poised for a quick restart.* Enjoy the drive even more with G-Vectoring Control, which improves handling for a smoother ride.

* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

SKYACTIV-G 2.0L PETROL ENGINE

A new generation internal combustion engine generates more performance from less fuel. Precise multi-hole direct injection minimises fuel use. A unique piston design improves combustion to boost power and lower emissions. Reduced friction liberates extra power, while a 4-2-1 exhaust layout lifts efficiency. The 4-cylinder engine delivers a sporty 109kW of power and 192Nm of torque, using as little as 6.1 litres of fuel every 100km* (combined).

i-ACTIV AWD INTELLIGENT ALL-WHEEL DRIVE SYSTEM

The Mazda CX-3 offers an intelligent on-demand system that actively distributes torque under electronic control. i-ACTIV AWD sources information from 27 different sensors to predict changes in driving conditions, including road surface, weather, driver intentions and more. As a result it offers maximum grip and vehicle control just when you need it.

SKYACTIV-DRIVE AUTOMATIC TRANSMISSION

Combines the best aspects of conventional automatic, continuously variable and dual clutch transmissions. The 6-speed SKYACTIV-Drive automatic transmission couples directly with the engine over a far wider range than other automatics for increased fuel economy and more direct power delivery. Shifts are quick and smooth.

SKYACTIV-BODY

New-generation design and materials maximise lightness while achieving high rigidity. Key joints are strengthened by advanced techniques that require no heavy reinforcement. High and ultra-high tensile steel cuts weight and boosts strength. Despite being light, Mazda CX-3 delivers exceptional collision protection.

SKYACTIV-CHASSIS

The sense of 'oneness' between car and driver is heightened through careful optimisation throughout. Agility and refinement are ensured by lightweight front strut and rear torsion beam suspension which employs firm bushings and precise geometry. Electric power-assisted steering delivers secure yet responsive handling, and also saves fuel.

STAY CONNECTED ON THE MOVE

Dash into the city or cruise the coast – Mazda CX-3 is geared to go. Hook up a compatible[§] smartphone and bring endless entertainment along for the ride. MZD Connect taps into your music and contacts, plus online content from Facebook to Twitter feeds and more. It even reads your texts and emails aloud. Everything is displayed on a centrally-located touch screen for maximum concentration on the road! Just as thoughtful is the multi-function commander, which allows control on the move with minimum distraction. Better still, you can drive menu choice, audio and navigation by voice.

FOLLOW ME

Satellite navigation incorporates spoken street names, advanced lane guidance and clear-to-read design. Standard on GSX and Limited. Optional on GLX.

ENHANCED CONTROL

Multi-function commander falls to hand, helping you concentrate on driving while making infotainment selections.

[§] Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as functionality varies by model. Visit mazdahandsfree.co.nz or consult your Mazda Dealer for further information.
[†] Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

BE SURROUNDED BY CLEVER TECH

Mazda CX-3 keeps you plugged in and up to speed with cleverly integrated tech. Driving focus is sharpened by the full-colour Active Driving Display in GSX and Limited grade models. By putting key information such as current speed and navigation cues into your line of sight, your eyes remain on the road ahead† Every model includes hands-free Bluetooth® phone connectivity and music streaming, while USB ports keep devices playing and charging§ The 2.0 litre petrol engine with automatic transmission enables you to dial up the excitement. Flick into Sports mode and sprint through gears with more immediacy.

SPORTING SPIRIT

Drive selection switch lets you flick the powertrain into sporting mode.

WELL CONNECTED

Enjoy music via players or storage devices and charge compatible devices with the USB ports. Auxiliary audio input also included.

† Driver-assistance features do not replace the driver's judgement and are not to be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.
§ Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as functionality varies by model. Visit mazdahandsfree.co.nz or consult your Mazda Dealer for further information.

CONFIDENCE-INSPIRING SAFETY

With sharp reflexes and an interior promoting driver concentration, Mazda CX-3 is well-armed to avoid potential trouble with its suite of state-of-the-art safety features. Collision protection is world-class, thanks to a highly rigid body integrating SRS airbags. A confident grip on the road is aided by Dynamic Stability Control (DSC) with Traction Control System (TCS). ABS brakes feature Electronic Brake-force Distribution (EBD) which matches braking to vehicle load, while Emergency Brake Assist (EBA) boosts stopping power when emergency braking is sensed. An Emergency Stop Signal (ESS) triggers the hazard lights to warn following drivers if you brake suddenly. When braking on an incline, Hill Launch Assist (HLA) ensures you get a smooth uphill takeoff on re-acceleration. Advanced Smart City Brake Support - Forward (GSX and Limited grades) primes and even applies the brakes when a low-speed collision is deemed imminent. Mazda CX-3 is designed with safety in mind so you can enjoy its exciting abilities with confidence†

† i-ACTIVSENSE and other safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and comply with all applicable laws at all times.

Limited in Soul Red Metallic.

BE PREPARED FOR WHAT'S AROUND THE CORNER

Unexpected hazards are a part of life. Thankfully DSC acts instantly, braking the inner rear wheel to offset understeer (or outer front wheel to combat oversteer). The Traction Control System (TCS) also reduces torque to the driven wheels to minimise skidding. The hazard can be steered around, as control is maintained.

STOP WITH CONFIDENCE

Stopping distance with
EBA, ABS and EBD.

Stopping distance
with no assistance.

ENJOY THE RIDE

By finely controlling engine torque based on the steering and accelerator inputs of the driver, G-Vectoring Control (GVC) improves both handling for the driver and ride quality for the passengers.

BLIND SPOT MONITORING*
By scanning external mirrors' blind spots, radars detect any unseen vehicles to alert the driver of hazardous lane changes. An LED icon on the relevant mirror is accompanied by beeping alerts.

REAR CROSS TRAFFIC ALERT (RCTA)*
RCTA assists when you're reversing from a parking space, by warning if a car is approaching from either side of your vehicle. The LED icon on both mirrors is accompanied by a beeping alert.

ADVANCED SMART CITY BRAKE SUPPORT
- **FORWARD (ASCBS-F)***
SMART CITY BRAKE SUPPORT
- **REVERSE (SCBS-R)***
At forward speeds of 4-80km/h (and reverse speeds of 2-8km/h) ASCBS-F monitors the vehicle or pedestrian in front to assess the likelihood of a collision. If a high risk is detected it issues visible and audio warnings and primes the brakes for a faster response. If the driver doesn't brake, ASCBS-F brakes automatically.

MAZDA RADAR CRUISE CONTROL (MRCC)*
Mazda Radar Cruise Control (MRCC) reduces the stress of negotiating heavy traffic by automatically adjusting vehicle speed to maintain a safe distance from the car ahead. Distance Recognition Support System (DRSS) visually displays the distance to the car ahead for added driver awareness.

ADAPTIVE LED HEADLAMPS (ALH)*
Individual control of several LEDs allows precise adjustment of the lighting pattern. The system automatically broadens visibility at low speeds, shapes the high beam to help avoid dazzling other drivers and raises beam height at highway speeds to extend vision area.

TRAFFIC SIGN RECOGNITION (TSR)*
TSR detects a number of road signs which are in turn displayed on the vehicle's Active Driving Display. The types of signs that could be displayed to warn you include speed limit signs, "do not enter" signs and stop signs.

LANE DEPARTURE WARNING (LDW)*
LDW uses a windscreen-mounted camera to monitor road lane markings, sounding an audible warning if you're about to stray from your lane. Driver Attention Alert (DAA) is also integrated.

FORWARD OBSTRUCTION WARNING (FOW) WITH SMART BRAKE SUPPORT (SBS)*
Operating at 15-145km/h, FOW monitors the distance to the vehicle in front and its speed. If it senses a collision is likely, audible and visual alerts prompt you to take evasive action. If SBS senses a high risk of impact it primes the brakes for faster response. If no evasive action is taken, it brakes for you.

Limited in Soul Red Metallic.

i-ACTIVSENSE INTUITIVE PROTECTION

Mazda CX-3 protects you with impressive safety. With i-ACTIVSENSE advanced safety technologies, your sense of confidence grows even greater. These intelligent systems are designed to help you recognise potential hazards, avoid collisions and minimise the severity of accidents when they can't be avoided. Using radar, cameras, and driver warnings, i-ACTIVSENSE is like having extra senses looking out for you!

† i-ACTIVSENSE and other safety technologies are driver assist technologies only and should not be used in place of skilled and safe driving practices. It is the driver's sole responsibility to monitor vehicle surroundings and conditions and to comply with all applicable laws at all times.

* Availability varies by grade.

GLX in Dynamic Blue.

GLX FEATURES

MAIN FEATURES INCLUDE

- » 16-inch Alloy Wheels with 215/60 Tyres
- » Headlamps (Halogen)
- » Power Exterior Mirrors with Side Turn Lamps
- » Powerfold Exterior Mirrors (Manual)
- » Dual Exhausts with Chrome Extensions
- » Shark Fin Antenna
- » Roof Spoiler
- » Power Windows
- » Reversing Camera
- » Bluetooth® Phone Connectivity[§]
- » 7-inch Touchscreen Display (MZD Connect)
- » 6-Speaker Audio System (AM/FM (with RDS), CD, MP3, USB x 2, Bluetooth®, AUX)
- » Internet Radio Integration (Pandora®, Stitcher™, Aha™)
- » Multi-Function Commander Control
- » Voice Activation and Control
- » Steering Wheel Controls (Phone, Audio, Cruise Control)
- » Keyless Entry and Ignition
- » Air Conditioning
- » Cruise Control
- » Seat Trim: Black/Grey Cloth
- » Seats (Front): Height/Rake/Slide Adjustment

- » Seats (Rear): 60/40 Split-Fold
- » Tilt/Telescopic Steering Wheel Adjustment
- » Engine Immobiliser
- » Hill Launch Assist (HLA)
- » Emergency Stop Signal (ESS)
- » mazdacare (3 Years' Scheduled Servicing/5 Year Warranty/5 Year Roadside Assistance)

OPTION:

- » Satellite Navigation (3 Years' Free Map Updates)

POWERTRAIN

SKYACTIV-G 2.0L

- » 2.0 Litre In-line 4 Cylinder 16 Valve DOHC S-VT Petrol Engine with i-STOP
- » Drivetrain: FWD
- » Fuel Consumption (Combined)*: 6.1L/100km
- » Max. Power: 109kW @ 6,000rpm
- » Max. Torque: 192Nm @ 2,800rpm
- » Transmission: 6-speed Automatic (SKYACTIV-Drive)
- » Drive Selection (Sport Mode)
- » G-Vectoring Control (GVC)

[§] Please check the compatibility of your Bluetooth® device (particularly your mobile phone) with the specific Mazda vehicle you intend to purchase, as not all devices operate correctly. Visit mazdahandsfree.co.nz or consult your Mazda Dealer for further information.

* Fuel consumption figures are based on ADR 81/02 test results. They are useful in comparing the fuel consumption of different vehicles. They may not be the fuel consumption achieved in practice. This will depend on traffic, road conditions and how the vehicle is driven.

GLX with Black/Grey Cloth

STREET PRESENCE

16-inch alloy wheels add to Mazda CX-3's sporting look and enhance handling.

PERSONAL INFOTAINMENT

MZD Connect links you to social networks, music and more. Optional Satellite Navigation and other system information is accessible via 7-inch screen.

GOT YOUR BACK

Reversing camera adds ease and confidence to reversing and parking, giving you a detailed view of what's behind.

FULL COMMAND

Make Bluetooth hands-free calls and program cruise control conveniently from the steering wheel[§]

GSX in Ceramic Metallic.

GSX FEATURES

ADDITIONAL TO GLX

- » 18-inch Gunmetal Machined Alloy Wheels with 185/60 Tyres
- » LED Fog Lamps (Front)
- » Automatic Headlamps
- » Rain-Sensing Wipers
- » Powerfold Exterior Mirrors (Automatic)
- » Seat Trim: Black Deluxe Leatherette (Black)
- » Active Driving Display (Flip-up Screen)
- » Automatic Climate Air Conditioning
- » Leather-Wrapped Steering Wheel & Shift Knob
- » Satellite Navigation (3 Years' Free Map Updates)
- » Advanced (Proximity) Keyless Entry and Ignition
- » Overhead Sunglass Storage Box
- » Parking Sensors (Rear)
- » i-ACTIVSENSE Safety†:
 - Advanced Smart City Brake Support - Forward (ASCBS-F)
 - Smart City Brake Support - Reverse (SCBS-R)
 - Blind Spot Monitoring (BSM)
 - Rear Cross Traffic Alert (RCTA)
 - Traffic Sign Recognition (TSR)
- » Secondary Collision Reduction (SCR)

GSX LEATHER FEATURES

ADDITIONAL TO GSX

- » Power Exterior Mirrors with Heating Function
- » Seat Trim: Leather#/Lux Suede® (Black)
- » Front Seats with Heating Function
- » Driver's Seat with 2-position Memory Function and 10-way Power Adjustment
- » Active Driving Display with 2-position Memory Function

POWERTRAIN

SKYACTIV-G 2.0L

- » 2.0 Litre In-line 4 Cylinder 16 Valve DOHC S-VT Petrol Engine with i-STOP
- » Drivetrains: FWD (GSX, GSX Leather) i-ACTIV AWD (GSX)
- » Fuel Consumption (Combined)*: 6.1L/100km (FWD) or 6.7L/100km
- » Max. Power: 109kW @ 6,000rpm
- » Max. Torque: 192Nm @ 2,800rpm
- » Transmission: 6-speed Automatic (SKYACTIV-Drive)
- » Drive Selection (Sport Mode)
- » G-Vectoring Control (GVC)

ENJOY MAZDA CX-3 WITH CONFIDENCE

mazdacare[™] is a comprehensive programme designed to make owning your new Mazda passenger vehicle as worry-free as possible. You will appreciate the back-up and motoring support offered through Mazda On Call. We know you will enjoy the advantage and ease of the mazdacare Genuine Scheduled Service Programme that comes standard with your new Mazda passenger vehicle, and you will be impressed with our 5 year/unlimited km Warranty.

3 year/100,000km Service at no additional cost*

We know you will enjoy the advantage and ease of the mazdacare Genuine Scheduled Service Programme that comes standard with your new Mazda passenger vehicle. Regular servicing is beneficial, keeping your Mazda in great shape for longer, saving you money in fuel, parts and keeping your vehicle safer on the road. That's why we offer 3 years or 100,000km (whichever occurs first) of mazdacare Genuine Mazda Scheduled Servicing at no extra cost.

Each service is carried out by Mazda factory trained Service Specialists using the latest in vehicle diagnostic equipment, in order to keep every Mazda operating at optimum driving performance and helping protect your investment in a car that enjoys excellent resale value.

5 year/unlimited km Roadside Assistance

You will appreciate the back-up and motoring support offered through Mazda On Call. If something goes wrong when you're travelling then we're here to help. Mazda On Call is a Roadside Assistance programme available to Mazda owners 24-hours a day, 365 days a year - included as part of your mazdacare cover. So, if you run out of fuel or lock your keys in the car, all you need to do is call 0800 800 626. Our support centres are ready to help out with any mechanical, medical and even legal advice you might need.

5 year/unlimited km New Passenger Vehicle Warranty[†]

You'll be grateful for the peace of mind that comes with the 5 year, unlimited km manufacturer's warranty.

- 5 year/unlimited km New Passenger Vehicle Warranty.
- 5 year/unlimited km corrosion and anti-perforation warranty.

Driving enjoyment has an exciting future

We're working hard to make driving a Mazda even more rewarding. With cars that use less fuel, but produce more power. That are lighter, but contain more innovation. We call this breakthrough SKYACTIV TECHNOLOGY. It will let every Mazda deliver more driving pleasure while being kinder to the planet.

Find out more at mazdaskyactiv.co.nz.

Soul shines through.

A paint finish created for KODO

'KODO - Soul of Motion' is the dynamic design vision shaping the Mazda range. To bring these striking shapes to life we developed a special paint technology, TAKUMINURI. Soul Red Metallic's finish combines an enhanced reflective treatment with high-chroma pigment to achieve stunningly vivid depth and contrast.

Accessories add enjoyment

The CX-3 gives you dynamic performance and impressive features. And with Genuine Accessories by Mazda, CX-3 ownership is even more enjoyable. They allow you to personalise your car, and protect your investment. What's more, they deliver superb design, quality and safety, all backed by a Genuine Mazda Warranty. Genuine Accessories by Mazda give you even more Zoom-Zoom. Visit mazda.co.nz to see all accessories available.

[™] Your mazdacare support programme is effective from the first day of vehicle registration.

* Mazda New Zealand covers all routine service maintenance costs including parts, lubricants and labour for the duration of the programme when service is performed by an authorised Mazda Dealer.

[†] The 5 Year New Passenger Vehicle Warranty programme comprises a 3 year/unlimited km bumper-to-bumper factory warranty and a comprehensive Major Component and Safety System warranty for an additional 2 years/unlimited km. Therefore the total new vehicle warranty period is 5 years/unlimited km. Visit mazda.co.nz/passenger-vehicle-warranty to see full disclosure of items covered by the 5 year/unlimited km New Passenger Vehicle Warranty.
